

IHRE KARRIERE BEI ICSI.

IHI Charging Systems International gehört zu den etablierten Anbietern von Turboladern.

Mit über 1.000 Mitarbeitern entwickeln, produzieren und vertreiben wir an drei Standorten Turbolader für die Automobilindustrie.

In interdisziplinären Teams entwickeln Sie mit uns die Zukunft der Turbolader-Technologie, die Basis unserer Produkte für den Automobilmarkt von morgen.

IT'S ALL ABOUT
TURBO 

Buyer - Independent Aftermarket (m/f/d)

Your tasks:

- Responsibility for the setup of an aftermarket business purchasing team
- Controlling of IAM specific procurement for components and tooling
- Selection of suppliers for aftermarket business, supplier assessment and development
- Execution of all purchasing activities from acquisition phase to end of production (e.g. procurement market analysis, tendering, offer comparison, price and contract negotiations)
- Support of Logistics and Supplier Quality departments to ensure the production supply in the European plants
- Budget planning and KPI reporting
- Continuous improvement of purchasing processes

Our requirements:

- Successfully completed technical or economic degree
- Broad international experience in a comparable position, preferably in the automotive supply industry
- Good knowledge of Microsoft Office as well as SAP R3/MM and CAD software
- Very good knowledge of verbal and written German and English as well as intercultural competency
- Analytical and target-orientated mind set and behaviour
- Interest in teamwork across all locations and willingness to travel internationally
- Confident and authoritative appearance

Your place of work: flexible (location: Heidelberg, Ictershausen or Cernusco/ Italy)

We would like to receive your application documents via our website. Please include your salary expectation as well as your possible start date. If you have any questions please do not hesitate to contact us:
